Kastoria, Greece – March 28, 2016

FOR IMMEDIATE RELEASE

“Carved By The Winds Eternal” 3-way split OUT SOON

From the northwest Greek mountains, old-school blacksters LORD IMPALER (active since the dark 90's), along with the Obscure black metal horde HELL POEMER, join forces with the Athenian Ancient-cult band DIZZINESS. The result is *“Carved by the Winds Eternal”*, a 3-way split of pure Hellenic black metal, featuring 6 atmospheric, mesmerizing songs that burn with fiery intensity for a total running time of 36 minutes.

The complete tracklist is:

1. Dizziness – Goddess Of The Moon
2. Dizziness – Άρπυιες
3. Lord Impaler – A Fire That Burns
4. Lord Impaler – Call From The Grave
5. Hell Poemer – The Sacral Knot Of Hierophant
6. Hell Poemer – My Dreams Will Stay Frozen On The Mountains

Tragon, vocalist of Lord Impaler, stated recently in an interview: *“In no case is this a ‘marriage of interest’ since we are bands with matching style and switching from one band to the other does not surprise the listener”*.

The split is planned to be released in digital format in April 3 2016, and then in physical formats (both CD and cassette) in the following weeks.

Lord Impaler is a melodic black metal band from Kastoria, Greece. Formed in 1998, they have already offered many releases defining their own brand of black metal. This split is just a taste of their forthcoming second full length album *“In Full Regalia”*. The band is already working on new material for a third album.
